

Permanent Recruitment

MSI is a leading healthcare recruitment company and we are proud of our professional working relationships with the most prestigious healthcare institutions across the UK and overseas. We will help your organisation grow by supplying top quality staff while keeping costs to a minimum.

We recruit for these roles:

- General, specialist and community nurses
- HCAs
- AHP and HSS professionals
- Doctors and GPs

We work with these organisations:

- NHS Trusts and CCGs
- NHS and private hospitals
- NHS and private GP practices and walk-in centres
- prisons
- health assessment advisory services
- other third and private sector organisations

Why choose MSI for your permanent recruitment?

In-depth experience

Our experience within healthcare recruitment is unmatched by any other agency in the UK. Our consultants bring confidence, efficiency, quality and versatility to the medical organisations they work with.

Extensive network

We have a database of over 60,000 high-quality candidates for a wide range of positions and can meet high levels of demand quickly.

Strict compliance

All of our candidates are subject to a precise registration process and strict compliance, in accordance with the latest REC, Crown Commercial Services, Health Trust Europe and Procurement in Partnership guidance and legislation.

Fast and efficient services

Our huge network and central booking system staffed by experienced recruitment professionals allows us to fulfil our clients' needs rapidly and precisely, while keeping costs to a minimum.
